BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

Govt Memo no 639-41/Mug 379-4-2 dt 9-8-22 a revised scale of expenditure for the temple was sanctd. To augment the income of the temple, proposals for a revision of the rates of fees for darshan were called for in the above order and proposals

have accordingly been subd by the M C

2. In para 2 of the letter the M.C. states that the proposals are agreed to by the Dharmadarsis and the local officers. With regard to this, it may perhaps, be noted that the Amildar in sending up the statement to the S.D.O says that the Rokkavechha need not be paid to the Peshkar, but as it is manool, it may be followed - The S.D.O is also of the same opinion - Some of the Dharma-Darsis have expressed their opinion that the subject should be discussed at a meeting - It is not clear whether such a meeting was held & the subject discussed point by point - A copy of the Resolution passed at the meeting held on 18-7-23 has been forwarded, which shows that the revised rates of several fees have been accepted by them.

shewn in the statement sent up by the M.C, it may, perhaps, be noted that the revised rates appear to be excessive ~~as~~ in some cases at least.

3. To take some cases, for example, the fees for Sahstabra & Sahasranama have been raised from 4 annas & 1 rupee to 8 annas & 3 Rs respectively. The existing rates appear to be reasonable. If no portion of ~~it~~ them goes to the temple & the entire amount is appropriated by the archak, the practice may, perhaps, be modified & a moiety of ~~it added~~ them credited to the temple funds. By increasing the rate, as proposed, the number of devotees, who get archana done will become less and the income will accordingly be reduced.

4 The same argument ~~holds good~~ appears to hold good in respect of certain other sevarthas also.

5. The rates of fees for Nivedhana

Items in the statt from 33 to 43 also appear to have been enhanced too much.

6. As it is, the rates of swarttha fees in some cases appear to be high and the proposal to still enhance them does not appear reasonable.

7 If the Govt is inclined to sanction the proposals, it is subd that it may, perhaps, be done as a temporary measure for 2 or 3 years. If at the end of that period, the income to the temple from this source has increased, then they may be sanctd permanently. If, on the other hand, the income has fallen, then the present rates may have to continue.

Sir,

Adverting to Government Proceedings No.639-41/M.F.379-21-2 dated 9th August 1922, sanctioning a revised scale of expenditure in the --- temple of Sri Ranganathaswami at Seringapatam and observing that proposal for revision of the rates for sevarthas are awaited, I have the honor to submit herewith a statement showing the existing and the proposed rate of fees for the several sevas now performed in the temple and their ---- distribution among the several heads.

The proposals are agreed to by the Dharmadarsis and the local officers.

2. In Dadyodhana nivedana and 10 other sevas (Vide Sl.Nos.33 to 43) no portion of the fee had been proposed to be credited to Temple funds. As, however, such exemption was found unnecessary and unwarranted, the rates have been suitably modified so as to allow a small income to the temple - which stands in urgent need of funds. In these circumstances I beg to recommend that the fees as now revised and their distribution as detailed in the statement hereto appended may be sanctioned, the -- revised rates being brought into effect from 1st January 1924.

Letter No.96/22-23 dated 5th June 1924 from the Deputy Commissioner Mysore District to the Muzrai Commissioner in Mysore.

"With reference to your letter No.C.861/23-24 dated the 25th -- March 1924 calling for a report, after personal enquiry, if the proposed rates of fees for sevarthas in the Sri Ranganathaswami temple at ----- Seringapatam, are not excessive etc., I have the horor to state that -- when I was last in Seringapatam on 23-5-24, I made enquiries of the local officers including the Sub Division Officer and some official gentlemen in the matter and they think that the rates proposed are not excessive. I am myself of that opinion, the increase proposed to several items being only slight, and the proposal, may, I think, be kindly sanctioned tentatively for a period of one or two years and the results watched, if necessary.

2. Further, the question of levying fees on cocoanut, as in the Nanjangud temple, (2) levy of fees for the occupation of Vahanmantap in front of the temple by the devotees, for the celebration of "Upanayanam" and -- marriage ceremonies, and (3) collection of tolls on shops etc., installed on the temple grounds during the jatra, is also under consideration, and

-ing that the revised rates proposed, ~~though~~

and definite proposals will be submitted for sanction in due co after discussing the subjects with the local officers and the Temp Dharmadarsis.

3. I request that sanction to the proposals now under submission may kindly be accorded, without waiting for the proposals referred to in par 2 supra. The connected file of vernacular papers received with your letter is retransmitted."
